Drawer Side Program

Our numerous machining centers and state-of-the-art equipment provide cost-effective access to a full range of drawer side manufacturing capabilities.

Edgebanding

Timber Products Company stocks and sources an extensive variety of edgebanding to match any laminate or wood species. We also offer UV finishing on bullnosed edges to match the high standard of RhinoCoat prefinish.

Timber Products Company is one of the nation's largest and most respected manufacturers of a comprehensive range of wood products.

As an independently owned, fully integrated company with dedicated manufacturing facilities in both the western and eastern United States, we provide immediate access

Quality is Standard

Timber Products offers high-quality wood drawer sides using our standard hardwood plywood products. Our drawer sides can be specified using our RhinoCoat prefinished hardwood plywood panels.

Special Packaging

All Spectrum component parts are meticulously packaged for maximum protection during transit.

to a tremendous selection of products and services. We've implemented new technologies to make our operations more efficient and our products more cost-effective. We can respond to your needs faster, with greater flexibility and with an absolute assurance of quality.

That's a tremendous resource for any business.
