

Designer Series

Textured Melamine

Style comes standard.

Add style, depth and texture to any project with Designer Series textured melamine panels. With hundreds of color and pattern options and the durability of thermal-fused melamine, Designer Series panels are ideal for projects demanding equal parts beauty, style and substance.

THE TREMENDOUS RESOURCE

1-800-547-9520 | timberproducts.com

Easy on the eyes and
the environment

Available FSC® Chain of
Custody-certified and
no-added formaldehyde

Beauty is in the details.

Colorful Options

Available in hundreds of custom colors and patterns.

Lasting Beauty

Provides superior resistance to stains, scuffs, heat and moisture, all without loss of color or surface texture character.

The Finish Is Just the Start

Glass, satin and straight-grain finishes offer added depth and texture to any project.

Available Sizes

- Up to 5' x 10'
- Can also be cut to size

Textures

- Straight Grain – The appearance, depth and richness of natural wood
- Glass – Adds a modern, high-gloss feel to the panel
- Satin – A smooth, non-gloss, stippled texture for added depth and richness

Substrate Options

- MDF, particleboard and SpectraCore
- Specialty substrates include moisture-resistant MDF and particleboard, fire-retardant MDF and particleboard, as well as other specialty substrates

Timber Products Company is one of the nation's largest and most respected manufacturers of a comprehensive range of wood products.

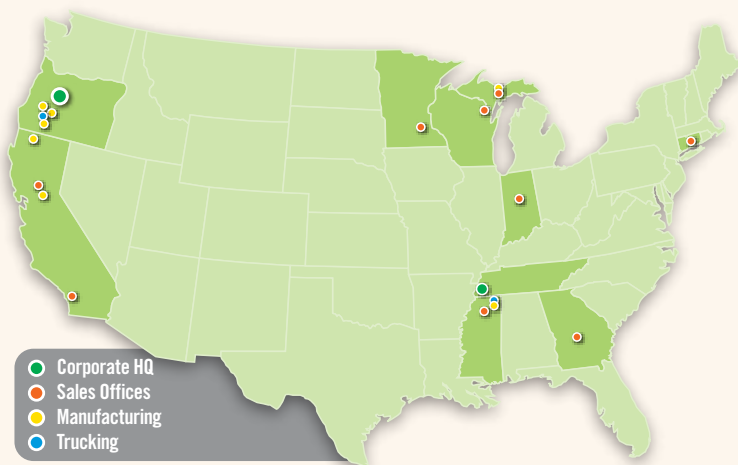

As an independently owned, fully integrated company with dedicated manufacturing facilities in both the western and eastern United States, we provide immediate access to a tremendous

selection of products and services. We've implemented new technologies to make our operations more efficient and our products more cost-effective. We can respond to your needs faster, with greater flexibility and with an absolute assurance of quality.

That's a tremendous resource for any business.
