The Spectrum Division takes full advantage of Timber Products Company's vast manufacturing resources to offer customers wood panel products that are engineered to specific needs and applications.

**CustomCuts**

Spectrum utilizes numerous machining centers and state-of-the-art equipment to provide cost-effective access to a full range of manufacturing and re-manufacturing capabilities, including drawer sides and shelving programs.

**Designer Series**

Textured melamine panels are available in hundreds of colors and patterns to complement any design project. In addition, Spectrum offers a full range of thermal-fused melamine panels. From the traditional and understated, to the modern and bold, these panels deliver the perfect look.

**Architectural Hardwood Plywood**

The Architectural Series offers high-end hardwood plywood panels in both domestic and exotic veneers, adding depth, warmth and style to any project.

**Roll Laminates**

Spectrum offers roll laminates that provide a durable, cost-effective panel.

All decorative laminate panels are available with No Added Formaldehyde (NAF). FSC® Chain of Custody certification is also available.

**More colors. More options. More possibilities**
